More information

The Capcut app is on the Play Store but we need a subscription to be able to use it now there are two options.

- 1. I will send a cracked(already on pro) Capcut app file here. All Android users should be okay with this Click here for the cracked version <u>https://t.me/FantabulousTV/920</u>
- 2. I will send the capcut login details (which have been subscribed already). Especially for iPhone users
 - Capcut premium logins
 - Email: 417nickulrich@gmail.com
 - Pass: Colts417!

Log in should look like this

Pandaskit App Video Claim

STEP 1: CLICK ON "PROFILE"

STEP 2: CLICK ON "SUBTITLE TRANSLATOR"

STEP 3: CLICK ON "MOBILE TRANSLATION OF SHORT DRAMAS"

STEP 4: CLICK ON THE FIRST VIDEO, BUT IF THE VIDEO IS NOT UP TO 80 EPISODES CHOOSE THE NEXT ONE. THE NUMBER OF THE EPISODES IS ON THE TITLE, CHECK IT WELL

STEP 5: NOW CLAIM THE VIDEO YOU CHOSE

** You can also click on another video which may be any number of episodes and claim it. **

IMPORTANT INFORMATION

The reason why I said you should claim a video that's more than 80 episodes is that I just discovered that the platform seems to pay more for videos with more episodes compared to less episodes.

THE PLATFORM GIVES EVERY NEW USER ONE FREE PUBLISHING, SO IF YOU PUBLISH A VIDEO WHICH IS MORE THAN 80 EPISODES FOR FREE, YOU CAN EARN MORE THAN 20\$ BEFORE THE MONTH END. THEN YOU CAN WITHDRAW YOUR MONEY TO YOUR LOCAL BANK ACCOUNT.

THE FREE PUBLISHING WILL EXPIRE AFTER A MONTH

And the reason I suggested any number of episodes for the second video is because you are paying for publishing the second video. The payment to publish a video is based on how many episodes your video consists of.

For example, if you are to pay for a 30 episodes film and each episode costs 1\$ that means you are paying 30\$

THE PAID PUBLISH WILL KEEP EARNING FOR 5 YEARS

STEP 7: CLICK THE CONTRACT, READ, AND SUBMIT

Click the contract read and submit it. The video will be under review and within a few minutes it will be approved. Then it will indicate success. Then you start earning money the next day.

NOTIFICATION FOR IPHONE USERS

Now to the issue of iOS, a few iOS uploaded successfully but a majority didn't.

Check the MB size of the video then try to compress it with an app called Panda video compressor or if you have any other video compressor.

Another way is I will chat up an iPhone user who uploaded successfully to enlighten us So that is the full process of the project

DOWNLOAD

- TRANSLATE
- UPLOAD.

Do that to all the episodes 1 after the other then after you complete all the episodes.

Click on submit for publication

THE END.
